

FOOD IN THE CAPITAL

PROMOTE YOUR BUSINESS TO THE INDUSTRY'S FINEST

Don't miss out on having your business alongside industry leaders in food innovation and production, rural and urban farming innovations, transport and sales.

Over the two-day event, 95 experts from around the globe will share their insights and offer advice on a range of topics relating to food sustainability.

This is a first of its kind event and an opportunity to be seen by leaders in the industry. Be ahead of the game and display your business through either a booth or pop up.
